

August 23-26

## Welcome Back to School!

No Resource Room groups this week. Mrs. Thomas will be working on scheduling groups and visual schedules for students. EA's will accompany students as needed throughout the day to help them get into the routine for the year.

Looking ahead to next week- the students will learn the resource room classroom promises and will learn about "Rainbow Club" and "Treasure Bins". They will also get to know Mrs. Thomas, Leann, Calista and Shelly. The students will create an "All About Me" book so we get to know them and we will baseline IEP goals for the beginning of the year.
